*A landmark  
for tea lovers,  
Souvia provides  
a selection of  
premium loose-  
leaf teas from  
around the  
world.*

**SOUVIA** is dedicated solely to tea, and the selection is amazingly varied. If you're new to tea, the staff is happy to give you a Tea 101—that is, explain the differences between varieties, share the history of tea, etc. And, if

you're a seasoned tea drinker, you can always learn about a new tea. It's a great place, with a wonderful atmosphere, friendly staff and oodles of tea.
